

# LINCOLN FLICKERS SUBBUTEO CLUB PRESENTS THE FA CUP IN DAYS OF YORE

At **The Morning Star pub, Greetwell Gate** on **Wednesday 14th September** commencing at **6.30pm**.

Wanderers, Royal Engineers, Queen's Park, Old Carthusians, Blackburn Olympic, Old Etonians, Oxford University, Clapham Rovers, Crystal Palace, Cambridge University, Civil Service and Hitchin will all be in action in the latest **Lincoln Flickers Subbuteo Club** themed competition. Argue the respective merits of professionalism as opposed to the traditional amateur game. Gasp in amazement at the resplendence and astonishing diversity of facial hair on display. Find out what it's like to kick a ball which is heavier than most of the players. (Well, OK, I made that last one up.) Most importantly of all, if you feel like a night of light-hearted fun, merry japes and the continual threat of death from asphyxiation (stiff collars compulsory) why not **ENTER** the competition at [http://lincolnflickers.fullpointsfooty.net/Lincoln%20Flickers/entry\\_form1.htm](http://lincolnflickers.fullpointsfooty.net/Lincoln%20Flickers/entry_form1.htm), having first checked which teams are still available at <http://lincolnflickers.fullpointsfooty.net/Lincoln%20Flickers/entrants.htm>. Alternatively, come along, have a pint or two of traditional ale, and yell exquisitely enunciated abuse at the players.
